III. STATEMENT OF CLAIMS

Claim I

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

Washington County has been holding me against my will
since Nov. 05, 2018. I have lost everything from
my family, my house, job, Truck. This experience has
led me days without sleep, Overly stressed, mental
anxiety that leads me to lash out and not even
know or remember why. My trust and faith in the
hands of Washington County for truth and Justice has all
gone away. for they hold zero Truth or Justice they
only incriminate where citizens and offer a "Guided Black"
sentences based upon someones criminal background and a
one sided story. If anyone tries to fight a case they force the public
defence office to find any evidence to prove the "Hear say" is wrong.

Claim II

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

Sheriff Garrett has been holding me against my will since Nov. 05, 2018
allowing his officers to incriminate me on only

"Hear say", and no evidence to prove any reasonable doubt other than allegation of character and innuendo.

I've suffered loss of my family, I've lost everything. My truck, job, cloths, tools, respect and reputation from friends, coworkers, community members, I have zero trust and faith in Washington County Police officers that leads me to endless nights, deep depression, anxiety.

I'm in fear for my children's welfare. I'll literally walking out the jail door with not even a wallet or state ID and zero dollars my bank has dropped me & no longer have a checking account.

Claim III

State here as briefly as possible the facts of your case. Describe how each defendant was involved, when the conduct occurred, and any injuries you have suffered as a result. It is not necessary to give any legal arguments or cite any cases or statutes.

The city of Hillsboro has been holding me against my will since Nov. 05, 2018. I've lost everything from respect of friends, family, coworkers, and community members, I lost my house, my truck, all my cloths, all my tools. I literally will be walking out of jail with only the cloths I came in wearing. This has left me in deep mental anguish endless nights without sleep. I wake up in tears. In losing the last days my Grandfather will be alive. My father is gone into surgery everyday is a rollercoaster of mixed emotions. All I can do is focus all my time

(If you have additional claims, describe them on another piece of paper, using the same outline.)

On washing dishes as in the dish washer for Washington County Jail I wash dishes for 6 hours a day 7 days a week and I only get to use the phone to call attorneys, or people to help my case from 9:45 am til 10:30 AM. I get no visits during work hours from 11:30 AM til 6:00 pm. By the time I get off work no Attorneys offices are open. I get no pay or extra time out my cells. They don't even offer it a way to lower bail amounts. Over all this has open my eyes to notice only County officials, County workers or mid to upper class citizens get the proper counsel. The lower class gets pushed in to a 'Grid Blocks' sentence that's based upon a one sided story and a criminal back ground. There is little to no actual investigative work done before they accuse the citizens in the Washington County area. The District Attorneys office forces the Public defence office into figuring out if the "Heer say" is actually true or false. By these actions the city of Hillsboro has been wrongfully incarcerating not only me but anyone with similar cases with "Heer say" as being there only evidence.

This system has deneged my whole adult life thus so far. The District Attorneys office and Public defence only pushes plea deals out. and any one going to trial are forced out of there fast and speedy rights and are held up to six months in hopes of waiting The accused out and ultimately breaking him or her down in to taking a last minute plea deal. This case I'm against now is a perfect example.

IV. EXHAUSTION OF ADMINISTRATIVE REMEDIES

I have filed for administrative relief as to all claims in Section III and have concluded all administrative appeals available to me.

☒ Yes

☐ No

V. RELIEF

State briefly exactly what you want the court to do for you and the amount, if any, of monetary compensation you are seeking. Make no legal arguments. Cite no cases or statutes.

I would like the courts to make the Police officers do full investigation,
before they are allowed to incriminate. I would like the
Washington County to pay the Court Appointed Counsel
hourly pay to insure each person accused gets proper
and adequate counsel. I would like "Plea offers" only
offered after Both sides of the story are fully met!
I would like \$748,000⁰⁰ from each for mental anguish
totaling \$2,244,000⁰⁰ and \$900⁰⁰ a day for
Wrongful incarceration and punitive damages.

I declare under penalty of perjury that the foregoing is true and correct.

Signed this 28 day of March, 2019.

Dear United States District Courts,

3/31/2019

My name is Jeremie Myles Beardall. I'm pleading for my life. Ever since I was 17 years old I have been misguided by the Washington County. I grew up without much guidance I neglected school from elementary all the way through high school. I never knew what the laws were and at the time I put all my trust and hope in to the Counsel Washington County appointed. I was always guided into a Plee deal, without proper investigations done. It was all based upon a one sided story that was being 33 and never been off parol since I was first convicted at age 17 highly regret.

Its already known Oregon District Attorney offices force the Public defence into only pushing plee offers and never searching for "Truth and Justice". I would like to be one of the first to sue them for "inadegate Counsel" and wrongful incarceration. Positive danger and mental anguish.

For starters let me break down to you what's been going on.

My Parol Officer Tim De Munbrum. Has sent squad units everytime I've been charged. My Public Defender never sends me my discovery and they offer me plee deals with out even hearing my side of the story and they say every time. Because of my back ground I will always be found Guilty. So I end up taking the Plee deal. Dec. 28, 2018 - Tillamook County Judge

(2)

tried to coerce me in to taking a plea deal Asking me, whats wrong with the Plea offer? would you rather have 50 days than 60? I mean we can work something out here? Those were her exact words at around 10:15 AM Dec. 28, 2018 in Tillamook County Courts. I told her no I want to go to Trial.

Jan. 16, 2019 all charges were dismissed saying they can not find the victim. After Dec. 28th 2018 the District Attorney's Office checked the box stating victim was notified. They lied!

Jan. 17, 2019 I return back to Washington County Jail. I was put back as worker in the Kitchen. Everyone welcome me back and asked how it went. I said they could not locate Anne Nicole Burt. One of the "line" Guys says is this her? and showed me a tag we put on special trays. She was in Jail the whole time. Tillamook County had zero evidence on me they only held me for the same reason Washington County is holding me. Cause I have a criminal back ground. I was illegally held from Dec. 17, 2018 til Jan. 17, 2019 in Tillamook County Jail.

Nov. 13, 2018. Michele Scholl is the Washington County Hearings officer who gave me my Hearing I pled NO contest to violating my Post Prison Supervision. Tim DeMunbinn said I failed to report and asked for 5 days for me to serve. Michele Scholl pulled Police reports from Tillamook County

(3)

that I nor my Parol Officer have seen and she found me Guilty and issued me a 120 day revocation when I only had 34 days left on my Post Prison Supervision.

I had no police contact in Tillamook County nor did they have any evidence other than "Hear say" and Tillamook County violated my rights to trial for not having Anna Nicole Burst transferred from Washington County Jail to Tillamook for Trial Jan. 17, 2019.

I wrote Oregon State Parol Board and you can look it up (Wash/5228) (Parol Office/case load.)

Tim DeMunbrum my Parol Officer has been sending false Police reports to Oregon State Parol Board. If you read what Michele Scholl wrote on the PPS order about Case No: 18CR06120 Harassment what Michele Scholl and Tim DeMunbrum are saying happened is not what I pled Guilty too. I never ever received the Discovery on that case. You need to Pull the "Record" from what was said in Court that day. Its all I ever knew about the allegations or I'd have never pled Guilty. They are sending reports that discriminate me only to make me higher on the risk scale. I should be a level one if anything.

Now Washington County case No. 18CR75859 are also holding me on "Hear Say" and I have filed false Police reports.

I turn Cooper Mountain Spence in to B.O.L.I., I sent my whole Discovery to Marsha Jussy Administrative Specialist she is working on collecting my unpaid wages. I explained to

(C)

Sgt. Ashenfelter, Lt. Massey and Corndale. Degman. That this lady has committed fraud and exactly what happened. If you type in "Vintage Pearl Drum set" on Google and hit the "shopping" icon. The most expensive drum set on Google is this "Maroon" in color "Pear Drum set that cost \$4000.

Roberta Warner lied threw out the Police reports and if you ask Marsha Jassy to send you copies of everything I have sent her you too will find the Cornelius Police department never did any investigation they just took Roberta Warners "Heard Say" and they incriminated me with out any Hard evidence other than Roberta Warner frauding the checks she cleared there my bank Well fargos fraud process cause she had no money in the Bank a Month later she went to her bank Columbia Sep. 16. 2018 and made false fraud claim then went to the Cornelius Police Station said I broke in to the house stole 4 company checks and a Maroon Pearl drum set worth \$4000.

This whole thing has cost me everything. All this is, is Washington Countys way to fill there jails to get more money from the Government. There is no truth and Justice.

I'm begging for my life. They've had me trapped since age 17. Please Help me.
